

Grace and peace to you from **GOD** our **FATHER** and our **LORD JESUS CHRIST**. Let us rejoice (Phil. 4:4) and continually **PRAISE HIM** (Psalm 34:1) who gives us the blessed **HOPE** of **ETERNAL LIFE** because of **HIS finished** work at the **CROSS** of **CALVARY** (I John 4:9). It's that awesome **SALVATION** moment when a human soul comes humbly to **JESUS CHRIST** and receives eternal forgiveness for sin (Rom. 3:23), beginning a **new** life (II Cor. 5:7), **NOT** recycled.

I love the celebration of **EASTER**. There is no passing an encounter with **CHRIST**. Men and women will meet **HIM** by **FAITH** (Eph. 2:8) at **CALVARY** as the **LAMB** of **GOD** who takes away the sin of the world...Or they will meet **JESUS CHRIST** at the **GREAT WHITE THRONE JUDGMENT** (Rev. 20:11-15) as the **LION** of **JUDAH**, who will judge men and women according to their works. It is a **CHOICE!** Nobody is turned away!!! (II Peter 3:9; I Tim 2:4).

HAPPY RESURRECTION DAY! JESUS CHRIST IS RISEN!

I **PRAISE GOD** that **HE** has kept me in ministry for 39 years. On March 27, my anniversary starting at the Union Rescue Mission where I was invited as "a guest celebrity" for Easter Sunrise Service. **GOD** had a plan (Jer. 29:11-13) **HE** gave me the Supernatural Strength and Divine Energy to do over 10,000 services in the devil's territory and the **HOLY SPIRIT** (John 6:44) drew some 500,000 into the Kingdom.

I give **HIM** the honor, worship and glory. **GOD** opened the doors for 38 years of prison ministry all over the country. I ministered at Pelican Bay Penitentiary for 12 years.

March and April had so many calls for prayer and counseling for those who are again being overwhelmed by and with floods of tribulations. We must remember, "The **LORD REIGNS.**" He is the **KING** of **FLOODS** (Isa. 43:2).

You may be burdened with trials, troubles and tribulations and overwhelmed by the hurts and needs that increase daily. The devil is hammering at your mind, heart and emotions. **DON'T GIVE UP!** Keep on praying (Luke 18:1). Nothing is too hard for **GOD** (Jer. 32:17,27). Remember **PRAYER INVADES THE IMPOSSIBLE!** (Luke 1:37).

MY every-other-week, Bible Study has been well-attended, averaging 21 to 25. **GOD'S WORD** is awesome and **JESUS** is called the **WORD** of **GOD** (Rev 19:13). In all my years of ministry, the tough thing was to get people to read and study the **WORD DAILY**. The more one reads and studies the **WORD**, the less the devil can attack the mind...his playground.

The Omegamanradio.com shows have been **HOLY SPIRIT** led and powerful. Bro. Shannon Ray Davis is an awesome host. One of my 4 shows was two and a half hours live. I got caught up with my "Stick with **JESUS**" shows, which are 1 hour. What a blessing for me to share the **WORD** of **GOD**. You can

catch "Stick" on Truth Be Told Radio Network, every Wednesday 7pm Eastern and 4pm Pacific time.

Another coolio thing that blessed me, I led Ricky to **CHRIST** in the **HIGH** Power Super Max security at LA Co. Jail. He ended up in Pelican Bay. I sent him the newsletter every month. He will be attending my Bible Study. Gave him a custom suits, shirts and ties.

The same month, Cameron was released. I spent a lot of time counseling him at LA Co. Jail and led him to the Lord there. Cameron and his mom came to my home to pick up the suits, ties, and shirts. It is such a blessing to see what **GOD** has done with the both of them. Cameron will also be attending my Bible Study.

My daughter, Nikol, lost 75 lbs. I encouraged her and had her pray Phil. 4:13 everyday. I see her once a week. I sure miss daughter, Lea, and grandchildren, Elijah, Ali Mae and Ryan. Ryan is an excellent athlete at basketball and soccer. I raised my daughters and have a great relationship with them.

Soon we celebrate Mother's Day. Did you know that I was voted "'Mother' of the Year" at the Brownies where I took Nikol and Lea every week? It was one of my favorite awards. The impact a mother can have on her child's life is awesome. I see that in my daughter, Lea, who is a wonderful mother.

My mother, who is home with the **LORD**, taught my brother, Robert, and me to trust and honor **GOD**. I encourage you mothers to be a positive influence for your children and teach them about **JESUS CHRIST** and **SALVATION** and the **WORD** of **GOD**. **THANK GOD**, I did that with Nikol and Lea. I raised them alone when they were ages, 7 and 10. I led them to **CHRIST** and took them to many of my Skid Row Services.

This is how to impact children's lives:

FIRST: Teach them to read the **WORD** of **GOD**. Read **GOD'S WORD** to them. Ask questions and answer their questions.

SECOND: Show them how to pray and talk to **GOD**. Pray with them and for them.

THIRD: Demonstrate trust in the **LORD** for all your needs (Phil. 4:19). Be thankful for what you have (Eph. 5:20).

FOURTH: Teach them to obey **GOD** by submitting yourself to **HIM** in everything you do. Be obedient (I Sam. 15:22). Teach forgiveness is the key to healing.

FIFTH: Love them and encourage them with the **TRUTH** of **GOD'S WORD** and that **GOD** loves them with everlasting love (Jer. 31:3). **HE** forgive our sins (Rom. 10:9, 10). Cry out your feelings, worship **HIM** and lift your hands to **HIM** to worship (Ps. 30:2).

Until next time, **GOD** bless you and to those who sent love offerings, 100-fold return.

In His Majesty's Service,

Dear Friend,

If the Lord leads you to send a love offering for my Skid Row and Prison Ministry, please send it to:

TESTIMONY OF DANIEL

I was born to a mom addicted to speed and alcohol. She was also a biker mama who didn't protect me from outlaw bikers. I was the middle of three children, a preemie baby knock-kneed and pigeon-toed. My earliest childhood memories were moving around a lot, being run through the court system and being put up for adoption because my parents couldn't handle the three of us, kids. My last memory was that of a knife yielding biker threatening to cut my heart out and send me to hell. Meeting in the middle of the night, a foster placement representative came and took me away. At some point, I ended up at MacLaren Hall home for physically abused, sexually battered and raped children.

Advancing to my teenage years, I was a difficult child facing the darkness of my life and known to dabble in drugs. I had been to Juvenile Hall a couple of times. I had somehow managed to fail the only people that had cared for me by adopting me and saving my life. I wrestled greatly with my conversion behind bars and reading the New Testament. I was introduced to the character of Jesus when I was 14 years of age. I recognized that someone as evil as I was deserved hell. I wondered why God would rescue me and give me a life of love when I had such a hard time receiving it. If it was granted that way, I had no clue I had no idea what it was.

At age 16, I had the Theater Arts male dance lead in our high school stage production. I was introduced to our choreographer who was this evangelist minister and he shared the scriptures with me concerning repentance and getting Christ-centered, blood atonement for my life. This time it sunk in. I thought for sure I was a born again, Spirit-filled Christian as I had just received the baptism of the Holy Ghost right after confession of Christ. I was sure he'd never leave me or forsake me, as it is written.

At nineteen, I had a strange run-in with a guy who I thought was my friend. He was playing a real-life game of Dungeons and Dragons and wanted me to participate with him, as a representative of God. It was my night of infamy. I and this other guy dressed up as feudal Japanese warriors and broke into the home of Hollywood actress, Penny Marshall. Prior to entering the home, I was told that if anybody could identify us as Ninja that they would be beheaded. We had performed a summons up of the demon, Beelzebub with a five-pointed Star pentagram lit by five candles. Later, I found out that I was to be a human sacrifice to satan.

Having fled the residence, after 18 minutes, we were caught by police dog units. First-time offenders were sentenced to a mandatory 24 years for residential robbery. They dropped the initial burglary, armed robbery and use of a weapon with intent to commit bodily harm. On sentencing day, we were charged with the crime and given two years each. This was unheard of, not to mention that I was 19-years-old. I was then sentenced to Youth Authority. I could see my Lord's hand in my life protecting me.
